IC Realtime Partners

With Pacific Rim NW Marketing Group

[Pompano Beach, FL June 1, 2019] IC Realtime partners with Pacific Rim NW Marketing Group to cover Washington, Oregon, and Northern Idaho. The fast-paced dynamics of the consumer electronics business challenges each and every manufacturer. Creating and maintaining a lasting relationship with dealers, integrators and distributors is of utmost importance. Pacific Rim has a dedicated team with over 25 years of experience helping vendors and local dealers grow.

Expanding into representative distributing, PAC Rim is now involved with residential and commercial AV and automation, marine & automotive AV & safety products, IT Services and commercial graphic/web design. With a fully staffed office in Woodinville Washington and local representation throughout the greater Seattle and Portland areas, we're delighted to partner with PAC Rim NW. They are responsive with clear goals in mind and aid in the business development within the local area.
